

Join the TLT Family!

For 60 years

the Tryon Little Theater has offered fine plays and musicals to theatergoers in western North Carolina and the Upstate.

But it can't be done without the help of a small army of volunteers!

Building sets, gathering props, assembling costumes, working stage crew, helping with lights and sound, serving as rehearsal prompter, handling publicity, working box office, ushering . . . the list goes on!

Call (828)859-2466 and leave a message for further info on volunteering.

Go to www.TLTinfo.org for audition information and updates on coming productions and events!

Season tickets are available for adults @ \$80 for six shows (giving you one of the musicals free).

*Single tickets:
Adults \$15 plays,
\$20 musicals;
Students age 18 and under, \$6
all shows.*

Call TLT at (828)859-2466 to order.

The Tryon Fine Arts Center offers reserved seating.

At TLT's Workshop, your ticket guarantees you a seat, but you are free to choose where you wish to sit when you arrive for the performance.

Opening Night Receptions!!

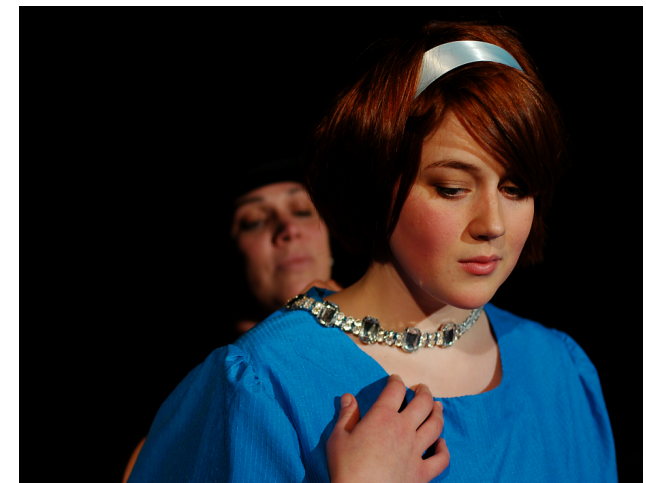

Join the cast and crew for a catered celebration following the opening night performance!
